Innovation School Sprungbrett – International study conference

28 chosen Bachelor and Master theses on the subject of sustainable forest and wood sciences from Russia, Bosnia-Herzegovina, Macedonia, Slovenia, Serbia and Switzerland offer a possibility for subject-specific and personal exchange.

Monday, 21st September 2015, Biel

Tuesday, 22nd September 2015, Neuchâtel

► Center for Development and Cooperation CDC

The Innovation School Sprungbrett offers....

...young professionals from nine universities a platform for international exchange on the subject of sustainable forest and wood sciences. It enhances their chances on the job market, strengthens the cooperation between science, industry and society and leads to a better understanding between countries, ethnics and religions.

Programme, 21st September 2015

Bern University of Applied Sciences BFH, Solothurnstrasse 102, 2500 Biel

8.30 Opening
9.20–11.20 Block 1: Forest – Wood – Technologies
12.20–13.40 Block 2: Materials – Environment – Sustainability
14.00–15.20 Block 3: Forest – Wood – Technologies
from 17.00 Personal exchange with musical entertainment (www.schwaar.net)

Programme, 22nd September 2015

Haute école de gestion Arc HEG, 21 Espace de l'Europe, 2000 Neuchâtel

9.00–9.30 Input Haute école de gestion Arc HEG
10.00–11.40 Block 4: Materials – Environment – Sustainability
12.40–14.20 Block 5: Forest – Wood – Technologies
14.40–16.00 Block 6: Materials – Environment – Sustainability

Don't miss the opportunity to let the young future engineers and scientists show you what they know and broaden your network. The project is supported by the Stiftung Mercator Schweiz and the Swiss Government.
